

Hello to all the parents/guardians and girls in 3rd class!

I hope you had a lovely Easter at home with your families. I also hope that you and your families are safe and well.

It looks like we are going to be spending a few more weeks at home, so the girls can continue working through the last work pack you collected from the school. That pack contained an outline of work for the week before Easter holidays (March 30th-April 3rd), and for the two weeks after Easter holidays (April 20th-24th) and (April 27th- May 1st).

Please feel free to send me some pictures/work that you have done through my school email. I would love to see what you have been up to and give you some feedback. My email is emaloney@mercyprimaryschool.ie

Remember the work outlined is a guide to be worked on at your own pace. There may be things you do not understand or do not have time to complete and that is absolutely fine. It is not intended to put pressure on anyone. The most important thing to me is that you are safe and healthy, and make the most of this time with your family. Get outside, get active, enjoy the lovely weather and have fun! Please tell your daughter(s) I was asking for them and hope to see them as soon as it is safe for the schools to open again.

Take care,

Miss Maloney ☺
