

Hello everyone!

I hope that you all enjoyed the Easter break. I am thinking of you all . I hope that you and all your families are well. The main thing is to keep safe and be happy. We'll get through this and everything will be OK.

You can email me directly on my email address provided on the school website and I can post work/ideas/resources to you. If you have any questions please feel free to email me directly. I will help you in any way that I can. You can also email any completed work to me. I would love to see it. It is difficult to complete work outside the classroom but just do your best.

I miss you all and look forward to seeing you as soon as it is safe for the school to reopen. Help out at home. Go outside, get lots of fresh air and have fun. Be patient and kind. The most important thing that you can do is look after yourself and your family.

Be safe and be good!

Mrs. Moore
