

## Maths Activities (Stage 3)

### Counting to 50. Recognition of numerals 0-30.

Here are some maths activities for you to try each day of the week to strengthen your child's concept of number. You will need a set of numbers 1-30 cut out so that your child can place them in the right order and the numbers can be used for some of the activities

#### Monday

- Get your child to place all the cut out numbers 1-30 in the correct order- 1,2,3,4,....30
- Counting up to 50- count forward up to fifty only
- Counting forwards: start at 5 & count up to 15, start at 7 and count up to 23, start at 17 and count up to 30, start at 23 and count up to 39 etc.
- Name the number that comes after: 3,6,7,12,16,22,34,46..etc

#### Tuesday

- Get your child to place all the numbers 1-30 in the correct order-1,2,3,4,....30
- Counting up to 50-get her to count forward up to fifty only
- Counting forwards: start at 7 & count up to 19, start at 9 and count up to 21, start at 21 and count up to 34, start at 29 and count up to 40 etc.
- Name the number that comes after: 2,11,15,22,25,32,34,42,46.etc

#### Wednesday

- Get your child to place all the numbers 1-30 in the correct order-1,2,3,4,....30
- Counting up to 50-get her to count forward up to fifty only
- Counting backwards: start from 10 and count back to 7, start at 12 and count back to 8, start at 17 and count back to 12, start at 42 and count back to 34 etc.
- Name the number that comes before 5,8,10,12,15,17,10,33,39,45,48...etc  
\*\*If your child is finding this difficult place out 30 pieces of lego, cubes, blocks, pencils, or crayons and she can count backwards looking at the materials

#### Thursday

- With the cut out numbers 1-30 throw them down on the table and ask her to pick up number 11, pick up number 17, pick up number 5, pick up number 19 etc....
- Counting up to 50-get her to count forward up to fifty only

- **Counting backwards:** start from 12 and count back to 8, start at 16 and count back to 10, start at 19 and count back to 11, start at 22 and count back to 15 , start at 35 and count back to 27....etc
- **Name the number that comes before** 3,7,9,12,14,5,10,37,44...etc  
**\*\*If your child is finding this difficult place out 30 pieces of lego, cubes, blocks, pencils, or crayons and she can count backwards looking at the materials**

### **Friday:**

- With the cut out numbers 1-30 throw them down on the table and ask her to pick up number 12, pick up number 18, pick up number 7, pick up number 24 etc....
- **Counting up to 50-**get your child to count forward up to fifty only
- **Counting backwards:** start from 12 and count back to 8, start at 16 and count back to 10, start at 19 and count back to 11, start at 22 and count back to 15 etc.
- **Name the number that comes before** 2,6,11,14,17,20,22,38,47..etc  
**\*\*If she is finding this difficult place out 30 pieces of lego, cubes, blocks, pencils, or crayons and she can count backwards looking at the materials**
