Hi Girls,

I hope you are all well. I am sending you work on the next 5 chapters. There is also a copy of the novel on the website in case you don't have a copy of it at home. Just click on the link and you can read the novel, one chapter per day (you have to click on the link and can read it from the screen, no need to print it). You are going to try to read one chapter of War Horse every weekday and do some written work on **that** chapter in your copy. If there is too much, choose one of the written activities
