

Rang 5  
Week Mon 25<sup>th</sup>  
May - Thurs 28<sup>th</sup> May

Love from  
Ms. Treacy!

I'm back again!!

How are all my girls? Hope this week's work find you all well. What a fabulous week we had last week. I got back playing tennis last Monday and have played every day since. I can only play singles at the moment due to the restrictions so I'm running around like a headless chicken!! Getting more and more steps in everyday though which is great.

I might even get to Birr this week as I need to visit my classroom and sort out a few things. We have been given permission to do this so I will be taking all precautions when I get there, washing my hands and keeping my distance from everyone else.

This marks the last weeks work in May. We would have been looking forward to a 4 day week this week (Mon – Thurs) and a 3 day week next week (Wed – Fri). With that in mind I will only be giving work this week for the 4 days....So...make a big effort and look forward to all the days off at the end!! I know I CERTAINLY will.

I received some lovely emails and some fabulous work examples from a number of you. Thank you so much. They brighten my days.

Love, Ms. Treacy

**IMPORTANT NOTE TO PARENTS. PLEASE READ**  
**KEEPING THIS HERE EVERYWEEK AS A REMINDER**

I know this is a stressful time and I know that many of you are working and have more than one child at home. Everything that I am posting it just a guide. Do what you can but please do not feel under any pressure to get it all done.

I do have to ask you to do one thing however!

The folens website is vital for providing the girls with new material each week from their English, Irish and Maths books. I would ask you, if you have not already done so to set up an account. I will out line how below. Your child can then log in themselves and read new stories, take on new Maths problems and access some Irish reading and writing. So...

- 1. Go to FolensOnline.ie and click register**
- 2. Select teacher (fifth class)**
- 3. Fill in username, email and password.**
- 4. For Roll Number use this code: Prim20**

Once this is done I can now give page numbers for Reading Zone, Planet Maths and Abair Liom and the girls can attempt what they feel they can do.

I am so thankful for all your efforts,  
Richelle

## ENGLISH

**Spelling:** (for the week for test on THURSDAY this week. Mammy or Daddy can be teacher!!) Please remember to put these into your spelling notebook: Glimpsed, Lure, Destruction, Mermaid, Thousand, Frenzy, Gigantic, Sailors, Beauty, Seashore. (Some tricky words taken from your reading today....Use your dictionary to look up the meanings. When learning the spelling...break them up into small parts).

### Monday:

Pick 5 of the above spelling and put them into sentences. I think they are nice words this week – nice and JAZZY!

Use your dictionary to look up the meaning if you do not know it.

### Reading:

Today I want you to access your FolensOnline.

Find our Reading Zone book....and click into Call of the Sea.

Go to page 107. You will read 'Call of the Sea'. Read 2 pages today pgs. 107/108.

You can zoom in and out on all of these pages to make it easier to read.

### Tuesday:

Revise Spellings

### Reading:

Finish reading the story above pg. 109

On pg. 109 Part A. Fact Finding. Please read and answer these questions out loud with someone at home.

### Writing:

Page 109 Part B and C. Spend around 8 minutes doing either of these or both if time allows.

**Wednesday:**

Revise spelling – Test tomorrow!!

**Reading:**

Read at Home: Week 24 pg. 93 'Downhill all the Way'.

Just read and look up any new words.

**Writing:** I have included a Grammar sheet again this week separate to this pack.

This weeks sheet is based on Verbs. This is a lovely resource from Twinkl and it great for revision. Complete the work into your English copy.

**Thursday: (This is our Friyay!!!)**

Ask someone at home to give you a short spelling test!

Let me know how you get on.

**Reading:** Read at Home pg. 94 'Emperor Penguins'.

**Writing:** How did your poem from last week turn out?

I would absolutely love to see some of them.

For today I have included an extra worksheet on Emperor Penguins (I love these little fellas). I got the activity sheet from Twinkl and there are questions to go with it. Please try to do these before looking at the answers supplied.

Your Art this week is really simple and Penguin themed!!

# GAEILGE

**De Luan:**

**Nuacht an Lae:** Please write 5-10 sentences with your news.

Cén lá atá inniu?

Cad faoi an aimisr?

Cad a bhí agat don bhricfeasta?

Keep it simple....you have loads of Irish locked into that beautiful brain!!

**Main job for this week:**

**Ask a parent to download DUOLINGO. I want everyone to start using this app for 10/15 minutes a day. I really rate this app and have been playing around with it myself. I will leave off any other work in Irish this week and just ask you to start working from Day 1 with this application doing some Irish. It is a free application and would also be great fun for anyone at home to get involved with.**

## **De Mairt:**

Duolingo Day 2

Please list any new vocabulary you come across.

To really help us with our Irish we should be able to repeat everything that is said on the app out loud. Even if you don't know the spelling...make a go of it. Sound it out.

## **De Cheadaoin:**

Duolingo Day 3

## **De Deardaoin:**

Duolingo Day 4 (Last one for this week).

I really feel this application will be of huge benefit to you. I have not given much other work Irish-wise this week so if you haven't given the Duolingo a chance...You are 4 days now without any Irish!! **DOWNLOAD IT!!**

Challenge this week:

Make a list of all the words....as Gaeilge of course that you can see when you are outside!! **EVERYTHING!** Who can get the most?

## MATHS

### Monday:

Lets start the week off right and get going on our tables.

Revise 8x for today. I know we did them last week...this is our warm up.

Forwards, backwards, multiples etc.

**Mental Maths:** Please do Monday and Tuesday for today.

### Tuesday:

Move on to 9 x tables.

These are difficult ones!! Write them out. Sing them out. Write out the multiples.

How did everyone get on with 'AREA' last week?

We'll stick with it this week and move on in our Planet Maths.

I would ask you all to access your Planet Maths book on Folensonline.ie.

Open pg. 130

The top of that page, finding the area of a rectangle explains it quite well.

You need to count all the cm<sup>2</sup> going from left to right = the length.

And then you need to count all the cm<sup>2</sup> going from top to bottom = the width.

Then...you multiply one by the other.

So, AREA = WIDTH X LENGTH. And your answer will be in cm<sup>2</sup> or m<sup>2</sup>.

## **Tuesday continued:**

For today, I just want you to draw this example out and write out the rules, numbers 1 to 5 to go with it.

## **Wednesday:**

Revise 9 x tables.

**Please look over yesterdays rule on area.**

Planet Maths pg. 130

I want everyone to now look at part A. Can you all please try to do Q. 1,2, and 3.

The first one: Q1. Length = 4cm

Width = 3cm

There are 3 rows (width) of 4cm

Area =  $12\text{cm}_2$  (Length 4cm x Width 3cm)

Do Q. 2 and 3.

For those of you who are able...please now do part B. You can do as many or as few of these as time allows. Please spend 15 minutes or so at this activity. Use your Maths Copy and let every square count as  $1\text{cm}_2$ .

## **Thursday:**

Revise 9x. Challenge yourself on HIT THE BUTTON.

On the next slide I will outline another 3 countdown challenges. Give it a go!!

Remember....you are trying to make the TARGET NUMBER from all the numbers provided using ADDITION, SUBTRACTION, MULTIPLICATION AND DIVISION. You can only use each number once!!

**Q.1: TARGET NUMBER = 902**

Numbers: 100, 9, 1, 2, 4, 6  
(Easy Peasy!)

**Q.2: TARGET NUMBER = 637**

Numbers: 75, 7, 7, 10, 9, 8  
(Hint: Use all numbers!)

**Q. 3: TARGET NUMBER = 123**

Numbers: 25, 7, 4, 3, 8, 2.

I have answers for all of the above but remember there is often more than one way to work these out. I will post answers here next week. I'd love to see any other ways you work it out. Remember you can email me any of your work.

Have fun!!

# ART

Art is optional this week as I know some of you are probably still working on last weeks competition.

So...for this week I have kept it really simple. I have attached a 'How to draw a Penguin' in this weeks work. It is a simple pencil drawing idea from Twinkl and it takes you through a step by step guide to drawing one of these cute little fellas.

I think you should try and come up with a name of him/her also and tell me a little bit about them...their likes and dislikes, hobbies, favourite foods etc.

Can't wait to see them!!

## P.E.

Keep going with this for this week.

I want you all to try out my name: RICHELLE and if you can TREACY!!

Do only what you can! Take a break if you get tired, drink water to make sure you are well hydrated..and most importantly ..STRETCH before your workout! Get the whole family involved!! Simplify any of the ones that might not suit you!

<b>A = 10 Jumping Jacks</b>	<b>B = 1 minute skipping rope(pretend if you have none)</b>
<b>C = 20 arm circles</b>	<b>D = 15 high knees</b>
<b>E = 10 pushups (do it on your knees to simplify)</b>	<b>F = 10 squats</b>
<b>G = 10 Frog hops</b>	<b>H = 2 minute jog one the spot</b>
<b>I = hop on one foot 5 time and then the other</b>	<b>J = 5 Burpees (lie on your belly...push yourself up and jump!)</b>
<b>K = 5 leg kicks on left leg (mind who is around!)</b>	<b>L = bend down and touch your toes x 20</b>
<b>M = 5 leg kicks on right leg (mind who is around)</b>	<b>N = 10 Lunges</b>
<b>O = 10 jump squats</b>	<b>P = Balance on right leg for 15 counts</b>
<b>Q = 20 high knees</b>	<b>R = 15 frog jumps</b>
<b>S = 20 jumping jacks</b>	<b>T = March for 20 counts</b>
<b>U = 20 circles with each arm (40 total)</b>	<b>V = Boxing the air for 30 counts</b>
<b>W = 1 minute jog on the spot</b>	<b>X = Reach for the clouds 10 times</b>
<b>Y = Balance on left leg for 15 counts</b>	<b>Z = 1 minute jog on the spot</b>

I gave 2 weeks work for Music last week. Hope you are all busy putting your piece together. I look forward to seeing them!!

## **HISTORY/GEOG/SCIENCE**

### **Geography:**

So....how did you get on with the map?

Anyone who emails me their list...I will reply with the full list. I am sure most of you got EVERY single one!!

### **SPHE:**

I was sent a fabulous At Home Well Being Journal by Ms. Murphy last week. It is a lovely resource for you to chill out and enjoy completing. It can be printed out or you can do each of the exercises into your copy. I leave this up to you.

If you scroll to page 3 of this Journal...we are reminded what well-being is.

“Well-being means feeling good and strong in our minds and bodies, having energy, getting along with and helping others, knowing our strengths and feeling proud because we are doing our best. It means we can cope with the little problems and disappointments of life. It means enjoying life, being grateful for what we have and accepting ourselves just as we are!”

Please write this out.....read it....and believe it.

There is an activity on this page also. 2 picture frames. You can do this out into your copy also .

## RELIGION:

We received a lovely email from Sr. Essie this week.

Free access to the Grow in Love programme has been made available.

Simply log on to the [www.growinlove.ie](http://www.growinlove.ie) website with the following details:

**Email:** [trial@growinlove.ie](mailto:trial@growinlove.ie)

**Password:** growinlove

Finally...just a reminder of Ms. Dermody's email for her English and Maths groups:

[bdermody@mercyprimaryschool.ie](mailto:bdermody@mercyprimaryschool.ie)

And my own email address:

[rtreacy@mercyprimaryschool.ie](mailto:rtreacy@mercyprimaryschool.ie)

I look forward to hearing from you.

Have a lovely week.

Le grá,  
Richelle
