

## Rang 6 Monday 11<sup>th</sup> - Friday 15<sup>th</sup> May

Hello to all of my girls and parents,

First of all, I hope everyone is happy and healthy. Thank you all so much for your continued hard work, I know how hard it can be to motivate yourself but you are all doing fabulous work, and I'm so impressed with the beautiful art and amazing projects and tricky maths that is being sent to me - it honestly makes my day when I log on to my email and see emails from you all. Remember when you're working on something to ask yourself my **favourite** question when you think you're finished 'But, is it Miss. Teehan finished?' and we all know what the answer to that usually is!!! I'm sure you've all been asking yourselves that though as all the work I've seen so far has most definitely been Miss. Teehan finished!

Keep up the work girls you're all doing amazingly and I am immensely proud of you all. Missing you all and all the news I usually get to hear so don't forget if anything mad or exciting happens to let me know 😊 Have a fab week!

Stay safe,

Miss. Teehan

## Writing: 'Not All Superheroes Wear Capes'

This weeks' writing ties in with our art. When you hear the word hero you probably think of Superman, The Flash or Wonder Woman. But let's think about heroes in our own lives. It may be one of your parents who is working through this time in a hospital or a shop etc. It may be a sibling, a friend, a grandparent, a teacher or somebody famous. Write about **who** the person is and **why** they are a hero to you. 'A hero is somebody who is selfless, who is generous in spirit, who just tries to give back as much as possible and help people.' You all know how much I love reading your writing pieces so I'd love for you to send these ones on to me.

'Withdrawal' is when Carmina spends money – so it is **taken away** from her balance.

## S.E.S.E

### Tourism in Ireland

Use chapter 21 (page 138) of your unlocking S.E.S.E to help you.

Choose a county, a city or a town in Ireland and create a brochure on why tourists might visit the place. You should include:

- A map
- Interesting facts about the place
- A brief history
- Attractions e.g. museums
- Places to eat/stay.

I would love if you would do this on the book creator website (or app). But also feel free to create it on paper - it's totally up to yourself, and if you have access

to a device that you could use the book creator website on. It's free to sign up for book creator 😊

Sample of part of a brochure below.

This will be a project for the next 2 weeks.

## SPHE:

It's so important in these times to try and find the good in everyday, so we're going back to what we did in class most weeks. Everyday write down one good thing about the day and something good about yourself - remember this might be an achievement, a talent or that you just helped out at home or didn't fight with a sibling even though they really annoyed you!

If any of you would like me to send you a well-being journal like the one we had during well-being week, send me an email and I will get it to you 😊

## Art

As I said earlier, this ties in with your English. Even if you don't enter the competition it's a great art idea to participate in. If you don't plan to enter the competition you could even draw your hero next to your writing piece (if you want!)

## Music

It's so important to keep positive in these times, and I know it's harder some days than others. Here's a song from my childhood (I can see the eye rolls and hear the 'Ahhh Miss stop' already). It's a really upbeat song, but also has a really good message. Listen carefully to the lyrics and apply them to the days that you're finding it tough. 'Bring It All Back' by S-Club 7 (who? I hear you ask) The best band around when Miss. T was your age!
