Continue to practise writing **one sentence every day** from the reading folder into your copy.

While the children are writing, please check that they are holding the pencil properly, that the letters are facing the rightway, that the tall letters are tall and that the letters with tails (j, p, q, g, y) are sitting on the line with the tail underneath. Please ensure they use full stops and that their letters sit on the line.

Continue to learn new tricky words, put the new tricky words into simple sentences in your writing copy. **One sentence a day.**
