Dear parents and girls,

How is everyone? We hope you all had a lovely break over the June Bank holiday weekend and enjoyed the gorgeous weather.

We're into our final four weeks in second class! Imagine!! From this week on we won't have any formal spellings, handwriting or SESE and this week we will just concentrate on English, Maths and a little Gaeilge. You've been great keeping up with the schoolwork and we really appreciate all your support. We've just three days work this week due to the school closures on Bank holiday Monday and Tuesday. Please keep sending us pictures of the girls work as we love hearing from you and seeing all the wonderful activities.

Our email addresses are:

Thank you again for all you are doing.

Take care,

Ms Ryan & Mrs Kennedy
