

Hi Everyone...

Wow! Where do I even begin? ...I truly **CANNOT** believe that this is what would have been our final week in school before finishing up for the summer holidays. It feels to me it's as if we have been on our holidays and should be returning to school about now...but no!

To my amazing girls ...what can I say without ending up writing pages and pages and keeping you here reading all day.....it is hard to condense into a few words the amount of pride I am feeling for you all as your class teacher. You are all....kind, hardworking, caring, respectful and brilliant girls who have a special place in my heart. The unique talents and abilities you each have are second to none. I want to thank you all for being an amazing class..our year together was cut short, which I was devastated about....**BUT** you all now know... we will be **TOGETHER AGAIN** as a class starting into **5TH CLASS**.....**EXCUSE ME 5th class?????** I was the happiest teacher in Ireland when I heard I was having you girls back....and we are all going to have the **BEST** year when we return to school again.. bring on the new learning, the activities and art work, the games , fun and adventures that await us!! **I AM SO EXCITED!!** I await the day I get to see you all ..in a **CLASSROOM** ...in the **FLESH**..smiling up at me. I have missed you all so much, I look forward to all the funny moments to come, the moments where we all sit and chat, have our laughs,

make accomplishments, make MISTAKES, run into challenges ..(and solve them) and work together as a team to better ourselves, further our learning, and grow as people in world. I can't wait to learn and share stories and take on new challenges and goals TOGETHER. You are an **incredible** class, and I know how much you are all missing one another..... don't worry .. we will ALL reunite soon! My heart is filled with love for you all.. THANK you so much for continuing all you hard work over the school closure. ALL of your work was appreciated and acknowledged and wonderful. BE PROUD of yourselves.. it was not easy.. being at home and away from teacher for so long.. BUT YOU DID IT!

Have the BEST summer .. it's been a surreal time, a very different time, a confusing time... BUT ... THE BEST TIMES ARE YET TO COME...believe me!

I might see some of you out and about in the good weather on my walks.. it always brightens up my day to see my girls.

For now..it's Goodbye ... (See you in the next school year....my 5TH class girls...ahhhhhh)

Love always

Miss Murphy <3

To all the parents/guardians of my wonderful girls...

TAKE A BOW!!!!

Breathe... a sigh of relief!! YOU ALSO DID IT!

That was NOT easy.....but I am sure memories were made, laughs were had and bonds made stronger.

From the bottom of my heart as your daughters teacher... THANK YOU!

Thank you for your efforts and support in the entire distance learning situation. The work being done at home, and the commitment you made to keep in contact with me was appreciated so so much.

It was difficult I can only imagine having to juggle home life and school life..busy households and work lives. All the time taken out to email me was not taken for granted, it was appreciated and it brightened up my days..knowing your girls were all happy. You all did amazing activities and SO MUCH LEARNING at home with your children. Be proud of yourselves too.

Enjoy the summer with your loved ones, stay safe and be happy!
Looking forward to seeing you all again soon please god with a little bit more normality in place.

I will be waiting with bells on to take your girls back in the new school year.. (5TH class..oh my god.. they are growing up fast, time is just flying)

Thanks again for everything

Kind regards,

Miss Murphy
