

Dear parents and girls,

We're really counting down the weeks to the holidays now-only three to go! Lets hope the sunshine returns to us soon again!

This week, we'll just concentrate on Maths, Reading and Art. We know that there are so many activities that your kids are doing with you such as baking, exercising, helping around the house, gardening and playing which are all a very important part of your child's education. You might find that this month your child would prefer those kind of activities which is absolutely fine. If they would like a little schoolwork to keep them busy we have some ideas listed below. Please keep sending us pictures of the girls activities as we love hearing from you and seeing all the wonderful things you have been doing.

Our email addresses are:

Thank you again for all you are doing.

Take care,

Ms Ryan & Mrs Kennedy

Art:	<p>At the Seaside!</p> <p>We'd all love a trip to the beach but can't travel that far from home for another while so why not create our own seaside scene and imagine we're on holidays! You can draw, paint, stick on torn paper or even create a scene in a shoe box. See the next page for ideas!</p> 

Seaside Art Ideas!
