Dear girls and parents,

Ms Dermody here again! I hope you have been well since last week. Isn't it hard to believe we are in June! I hope you have been enjoying the nice weather. I am sending you some nice challenges for you to try at home. If you need help I would love to hear from you, my email address is bdermody@mercyprimaryschool.ie

Look at the hundred square below.

3 is **above** 13, 7 is **above** 17

32 is **below** 22, 28 is **below** 18

We will be doing problem solving at the end of this week. Remember:

We are adding. We are going to add so we will have **more** at the end.

4+6=10

We are taking away. We are going to take away so we have **less** at the end.

10-7=3

You might need a grown up to help you scroll down to find the maths pages at the end. You do NOT need to print the pages, just do them in your copy.

With best wishes, missing you all, Ms Dermody

1	2	3	4	5	6	7	8	9	10
11	12	13	14	15	16	17	18	19	20
21	22	23	24	25	26	27	28	29	30
31	32	33	34	35	36	37	38	39	40
41	42	43	44	45	46	47	48	49	50
51	52	53	54	55	56	57	58	59	60
61	62	63	64	65	66	67	68	69	70
71	72	73	74	75	76	77	78	79	80
81	82	83	84	85	86	87	88	89	90
91	92	93	94	95	96	97	98	99	100

Use the hundred square for the counting

Monday	We are going to revise our counting this week
	Count up in 2s to 20
	Count up in 3s to 30
	Count up in 5s to 50
	Count up in 10s to 100
	Count back in 2s from 20
	Count back in 3s from 30
	Count back in 5s from 50
	Count back in 10s from 100
	Read all the odd numbers between with 0 and 20. (1,3,5,7………..)
	Do it again.

	Read all the even numbers between 0 and 20. (2,4,6,8…….)Do it again. What is the biggest number on each line (going across) of the hundred square? What is the smallest number on each line? What 2 numbers make 14 0+14=14 1+13=14 2+12=14 finish the story of 14 in your copy On your hundred square: What numbers are beside 23,43,54,67,68,79,86,45,32 What number is above 34,54,65,67,87,78,79,42,32,14 What number is below 45,46,76,54,32,73,12,32,87,54,34,56 Scroll down to the maths page and do page 24
Tuesday	Count up in 2s to 20 Count up in 3s to 30 Count up in 5s to 50 Count up in 10s to 100 Count back in 2s from 20 Count back in 3s from 30 Count back in 5s from 50 Count back in 10s from 100 Read all the odd numbers between with 0 and 20 Read all the even numbers between 0 and 20 What is the biggest number on each line (going across) of the hundred square? What is the smallest number on each line? What 2 numbers make 15 0+15=15 1+14=15 2+13=15 finish the story of 15 in your copy Scroll down and do page 25
Wednesday	Count up in 2s to 20 Count up in 3s to 30 Count up in 5s to 50 Count up in 10s to 100 Count back in 2s from 20 Count back in 3s from 30 Count back in 5s from 50

	Count back in 10s from 100 Read all the odd numbers between with 0 and 20 Read all the even numbers between 0 and 20 REMEMBER: 1,3,5,7,9,11,,,,,,,,,,these are **odd** numbers 2,4,6,8,10,12,14…………these are **even** numbers What is the biggest number on each line (going across) of the hundred square? What is the smallest number on each line? What 2 numbers make 16 0+16=16 1+15=16 2+14=16 finish the story of 16 in your copy Scroll down and do maths for Wednesday
Thursday	Count up in 2s to 20 Count up in 3s to 30 Count up in 5s to 50 Count up in 10s to 100 Count back in 2s from 20 Count back in 3s from 30 Count back in 5s from 50 Count back in 10s from 100 Read all the odd numbers between with 0 and 20 Read all the even numbers between 0 and 20 Scroll down and do Thursday maths
Friday 	Count up in 2s to 20 Count up in 3s to 30 Count up in 5s to 50 Count up in 10s to 100 Count back in 2s from 20 Count back in 3s from 30 Count back in 5s from 50 Count back in 10s from 100 Scroll down and do Friday If you feel like extra challenges, try the problem solving in the pages below. Remember you can email me for help at bdermody@mercyprimaryschool.ie

7 girls riding bikes.
5 boys on the grass.
How many children altogether?

_____

The parrot lost 8 yellow feathers and 9 blue feathers.
How many feathers did the parrot lose?

_____

Bert made 16 bags of toffee for the market. Later, he made 21 bags of fudge. How many bags did he make to sell at the market?
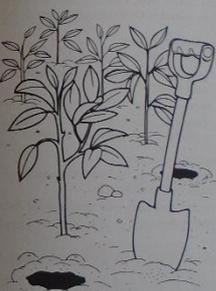

_____

14 glasses of orange juice.
13 glasses of apple juice.
How many drinks altogether?

_____

The gardener planted 15 apple trees and 27 pear trees.
How many holes did he need to dig?

_____

The shopping bag had a hole and 27 oranges fell out. Then 18 apples fell out.
How many pieces of fruit fell out of the shopping bag?

_____

0 to 20 Number Line

0 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20

Use the numberline

Wednesday

12+3=	9+8=	15+3=	14+4=	3+11=	16+2=
13+6=	9+6=	4+13=	7+11=	0+17=	15+4=

Thursday

19-5=	13-7=	16-7=	18-4=	18-5=	14-7=
18-6=	14-11=	16-8=	19-9=	16-2=	13-5=

Friday

13+5=	16-2=	12+7=	16-9=	13+4=
4+11=	18-4=	9+12=	16-8=	13+2=
